ORDER:

The Vision 2029 framework of the Government of Andhra Pradesh places emphasis on inclusive development, based on the twin pivots of Samaja Vikasam and Kutumba Vikasam, aligned to the Sustainable Development Goals, aiming at holistic and inclusive development of all sections of the society. To achieve these objectives, the Government of Andhra Pradesh is implementing various schemes & programmes for the welfare of the marginalized sections of the society.

2. The Government of Andhra Pradesh has enacted the SCSP/TSP (Planning, Allocation & Utilization of Resources) Act (Act 1 of 2013), which came into effect from 25th January, 2013. The purpose of the SCSP/TSP Act is to reduce the gaps in the development of SCs/STs & also to facilitate access to better livelihoods and employment opportunities, especially to educated youth. The Government have also introduced the BC Sub-Plan & established Corporations for BCs/ EBCs/ Kapus/ Minorities/Brahmins for their all-round social and economic development.

3. In order to ensure that economically poor SC/ST/BC/EBC/Kapu/ Minorities/ Brahmin students from the State of Andhra Pradesh reach the higher echelons of administration, there is a need to facilitate their entry into Civil Services, which is through the mode of the Annual Civil Services Examination conducted by the UPSC. The entry of students from marginalized sections in the higher Civil Services will enable them to participate effectively in the decision making process at the highest level, boost their morale, ameliorate their sense of deprivation & alienation from the development process.

4. In view of the above, in the references 1st to 12th read above, Government, after close study of the practices followed in other States, have sanctioned the implementation of "NTR VIDHYONNATHI SCHEME" for providing professional guidance for Civil Services Examination for SC/ST/BC/EBC/Kapu/Minorities/ Brahmin students.

5. A comprehensive review of the implementation of the scheme for Professional Guidance for Civil Services Examinations being implemented by Departments/Corporations reveals the following operational issues:

- i. The scheme is independently administered by multiple Departments/Corporations, leading to lack of uniformity in operational guidelines, selection criteria of institutes, fee to institutes, stipend to students, etc.
- ii. There is absence of standards for empanelment of institutions, fixation of fee structure, selection of candidates, monitoring & supervision mechanism, release of funds, etc. leading to inefficiencies, lack of transparency, hardship to candidates/institutions and & indeterminable outcomes.
- iii. There is no common digital platform for implementation of the scheme and the data is not fully digitized.
- iv. Even where digitised, issues persist of multiple portals, manual document & bank account verification, SLAs not being stipulated, etc.

6. Keeping in view the above, Government vide the reference 13th read above, have requested the Director of Social Welfare, A.P. to formulate a comprehensive proposal in consultation with representatives of Welfare Departments/Corporations for finalizing criteria for empanelment of institutions/modalities for implementation of the scheme for imparting training for Civil Services Examinations from the year 2018-19 onwards.

7. In the reference 15th read above, the Director of Social Welfare, A.P. has informed that in accordance with above instructions a meeting was convened on 13-03-2018 with HoDs of all Welfare Departments & Corporations and later the Director of Tribal Welfare & HoDs have conducted a review meeting with the Directors of Coaching Centres on 19-06-2018 & after taking into consideration the inputs of all the stakeholders, the revised comprehensive guidelines and policy & implementation framework has been prepared and submitted to the Government.

8. Government, after careful examination of the proposal of the Director of Social Welfare, & in supersession of the orders issued in the references 1st to 12th read above, issue the following common revised comprehensive guidelines and policy & implementation framework for implementation of the NTR Vidhyonnathi Scheme, from the year 2018-19, by all the Welfare Departments/Corporations:
