Get One Time Password

Enter OTP

Enter OTP *

Verify OTP

Step 1:

Go to the [official UIDAI website](#) made by the Indian government to help citizens verify and update mobile number / email id.

Step 2:

The official website will open asking you for your personal details like AADHAR Number, Email Id or Mobile Number; whichever you want to verify and Captcha code (Security code) as shown in the image.

Click on the “Get One Time Password” button after entering all the correct details and you will get a SMS of OTP on your email id or mobile number; whichever you requested.

Step 3:

Enter the received verification code in the “Enter OTP” input box and click on “Verify OTP” button.

You have successfully verified your email id / mobile number associated with your AADHAR card
